'Following in God's way, Learning day by day, Working with one another, Caring for each other'

Anti Bullying Policy

Date of Policy: 2019

Review date: 2022

School Statement on Bullying:

We believe that all people are made in the image of God and are unconditionally loved by God. Everyone is equal and we treat each other with dignity and respect.

Our school is a place where everyone should be able to flourish in a loving and caring community.

St Luke's is built on a core set of Christian values, where children feel happy and cared for. Here they find, love, joy, hope and peace.

John 13: 34-35 says, 'Love one another. As I have loved you... By this everyone will know that you are my disciples.'

So at St Luke's we aim to be disciples by:

Following in God's way

Learning day by day

Working with one another

Caring for each other.

Aims and Purposes of the Policy:

Bullying is wrong and damages children. We therefore do all we can to prevent it, by developing a school ethos where all are treated with dignity and respect and where all members of the school community understand that bullying is regarded as unacceptable.

As a Church of England School promoting Christian values, we aim to produce a safe and secure environment where all can learn without anxiety, and are free from threat, harassment, discrimination or any type of bullying behaviour.

This policy aims to produce a consistent school response to any bullying incidents that may occur.

We aim to make all those connected with the school aware of our opposition to bullying, and we make clear each person's responsibilities with regard to the eradication of bullying in our school.

Consultation:

This policy has been produced after consultation with Wigan LA officers, Church of England Education Office, staff, pupils, governors and parents/carers of St Luke's C.E Primary School.

The policy references the Equality Act 2010 and shows our commitment to preventing and responding effectively to the bullying of protected and vulnerable groups of children including disabled children / children with SEN, those who are or perceived to be LGBT, race and faith minority groups and those who experience sexist/sexual bullying.

What is Bullying?

1] Definition of bullying

'Behaviour by an individual or group, usually repeated over time, that intentionally hurts another individual or group either physically or emotionally'.

2] Bullying behaviour

Bullying can take many forms but all forms are taken seriously.

- **Persistent Bullying**
- **Cyberbullying:** e.g. gaming/apps, messaging, mobile phones, social media, email, video hosting sites (YouTube), webcam
- **Damage to property:** e.g. graffiti, personal property
- **Inciting others to bullying behaviour** e.g. encouraging pupils with special educational needs to bully others so that they receive the consequences rather than the instigator
- **Visual /written literature:** e.g. distribution/possession of posters/leaflets, graffiti, literature or material, e.g. pornography, wearing or display of offensive insignia

- **Physical hurt/attack:** e.g. physical intimidation, mimicry, unwanted or inappropriate touching
- **Psychological:** e.g. damage to reputation (sexual, denial of identity, gender /ethnicity), emotional, extortion of belongings, identity theft / impersonation, isolation /refusal to work/play with other pupils, revealing personal information, threats
- **Verbal:** e.g. 'joke' making, mimicry/ridicule, name calling, spreading rumours, swearing, verbal abuse
- **Threat with a weapon**
- **Theft or extortion**
- **Victimisation after previous complaint** e.g. bullying due to either victims or bystanders speaking out as a result of a past bullying incident

3] Types of bullying

Bullying can happen for a large number of reasons but the most common are listed below.

- **Sexual Orientation: Homophobic or Biphobic** (any incident perceived by the alleged victim or any other person to be targeted around being lesbian, gay or bisexual. People do not have to be lesbian, gay or bisexual to suffer homophobic bullying)
- **Race** (any bullying or incident perceived to be racist by the alleged victim or any other person)
- **Culture or Class** (incidents related to culture, those involving pupils who identify as Gypsy/Roma traveller or social class)
- **Religion or Belief**
- **Related to Disability, SEN or Health** (behaviour perceived to be insulting to people with a range of medical, mobility, sensory, mental health or learning impairments. Incidents related to other health or Special Educational Needs come under this heading too)
- **Related to home circumstances or other personal circumstances** (e.g. young carers or children in care)
- **Gender: Sexist** (incidents perceived to be demeaning to a gender in general)
- **Sexual** (incidents include intrusive language, damage to sexual reputation, inappropriate touching and other behaviour perceived to involve unwanted sexual attention)
- **Gender Identity: Transphobic** (incidents are those perceived to be insulting to someone's gender identity or to trans people)
- **Related to another vulnerable group of people.**

Signs and Symptoms of bullying:

Signs of bullying can be extremely variable and will very much depend on the individual but some of the more common signs include:

Physical signs e.g. physical injuries, damaged clothing with no convincing explanation and general ill-health due to stress

Emotional signs e.g. mood swings, apparent changes in personality, constant anxiety/nervousness, depression or tearfulness for no apparent reason, lack of confidence, negative self-image, hostility and defensiveness

Behavioural signs e.g. withdrawn, frequent and unexplained absences, poor concentration, eating disorders, alcohol/substance misuse, evidence of self-harming and disruptive/challenging/bullying behaviour

General e.g. frequently "lose" money/possessions, appears tired and lethargic, avoids playtime or entering/ leaving school with others or playtime

Preventing Bullying:

The following list shows the preventative strategies that are used, when appropriate, at St Luke's.

- Awareness raising through Anti-Bullying week, assemblies or lessons
- Clear Anti-Bullying policy which all members of the school are aware of
- Anti-Bullying messages embedded throughout the curriculum
- National Healthy Schools Status
- Reward system for positive behaviour
- Bullying charter prominently displayed
- Circle Time - This helps with class management by building positive relationships between the children
- Nurture Groups - A small group of children where concerns can be discussed in a friendly, caring environment through fun activities.
- Worry box - Children can write their worries and concerns down anonymously
- Buddy system - Each summer term year 2 children are paired with year 5 children to ease the transition into key stage 2.
- SEAL - Social and emotional aspects of learning usually delivered in PSHE lessons.
- Play leaders/buddies - Older children who organise set games for the younger children at playtimes.
- Pupil consultation - School council feedback and regular questionnaires.
- Circle of friends - A small organised group of children who can discuss their concerns openly and strategies to help one another.
- Stonewall training and resources
- Towards Cultural Competence training
- CEOP training
- PREVENT/WRAP training
- Digital Literacy
- Books and Literature around school
- Christian Values
- British Values
- Toot-Toot
- Safeguarding Board information
- School website

Responding to bullying:

- **Bullying allegations** - We are aware that bullying allegations can come from a number of different sources including from the child, child's friend, parent/carer or staff member. All will be taken seriously and acted upon. The mechanisms that we have in place to receive these allegations are both direct (e.g. spoken face-to-face allegations to school staff) and non-direct mechanisms (e.g. worry boxes) to cater for the variety present within pupils and their preferred reporting styles. For example boys are often hesitant to use direct reporting mechanisms.
- **Responding to bullying incidents** - Bullying allegations are to be responded to by either using the '7 Steps' approach (See appendix 1) or by using sanctions. Sanctions to be used when dealing with bullying incidents are:
Loss of playtime
Removal of privileges e.g. not being allowed to participate in extra curricular activities.
- **Recording and Reporting Incidents** - All bullying allegations and the schools actions are recorded in the school's incident logbook and reported to parent/carers, school staff, governors and the Local Authority. Sentinel is used as the method for reporting to the Local Authority.

Monitoring and Support -

This policy is monitored on a regular basis by the headteacher, who reports to governors on request about the effectiveness of the policy.

All pupils are supported during the 7 steps approach by regular one to one conversations with a dedicated member of staff.

Prejudice-related incidents:

An incident may be a prejudice-related incident or a bullying incident, or both. A prejudice-related incident is for example, racist graffiti, cultural, religious or sexist language, which need to be addressed but may not constitute bullying because they are not repeated, not intentional or not directed at an individual.

Prejudice-related, bullying and abuse against staff will be recorded on Sentinel.

While prejudiced related incidents and prejudiced related bullying are often prevented and responding to using generic techniques we fully realise that each form has its own specific sensitivities that may necessitate a more tailored response. At St Luke's we actively promote equality and cohesion and therefore operate a zero tolerance approach to all forms of bullying and prejudice-related incidents.

Bullying of staff by pupils, parents, carers or other staff:

These types of incidents are to be reported and responded to by the Headteacher or governing body if the Headteacher is involved. Members of the school workforce suffering from or concerned about bullying can also contact their trade union or professional association for support and advice.

Involving parents:

Parents are surveyed on an annual basis regarding behaviour at our school.

Parents, who are concerned that their child might be being bullied, or who suspect that their child may be the perpetrator of bullying, should

contact their child's class teacher immediately. Parents have a responsibility to support the school's anti-bullying policy, actively encouraging their child to be a positive member of the school.

Anti-Bullying Complaints:

If a parent/carer is unhappy with how a bullying allegation has been handled their first action should be to talk to the class teacher. If they are not satisfied with the response, they should contact the headteacher. If they remain dissatisfied, they should follow the school's complaints procedure, as detailed on the schools website or available from the school office.

Monitoring and evaluating the policy:

This policy is monitored on a day-to-day basis by the headteacher, who reports to governors on request about the effectiveness of the policy. This anti-bullying policy is the governors' responsibility, and they review its effectiveness regularly. They do this by examining the school's incident logbook, where incidents of bullying are recorded, and by discussion with the headteacher. Governors analyse information for patterns of people, places or groups. They look out in particular for racist bullying, or bullying directed at children with disabilities or Special Educational Needs.
