Sports Premium Funding 2018/19

Objectives 2018/19

- To provide outstanding Physical Education, Health and Well-Being – **achieved/ongoing**
- To further broaden the sporting opportunities and experiences of all pupils – **achieved/ongoing**
- To develop a love of sport and physical activity – **achieved/ongoing**
- To support teaching staff in the delivery of outstanding Physical Education lessons - **achieved**
- To develop a whole school approach to the teaching of PE and sport - **achieved**
- To make PE and sport enjoyable and accessible for all children – **achieved/ongoing**
- To embed the physical literacy, emotional and thinking skills to succeed in PE, sport and wider school life - **achieved/ongoing**
- To improve standards of achievement in PE and sport - **achieved**
- To promote physical exercise and healthy lifestyles - **achieved**
- To promote self-regulation of keeping healthy - **achieved**

Area of Focus	Activities	Cost	Impact
1) Increase participation in physical activity to 100% in all year groups. 1a) Increase participation in extracurricular clubs to 90% or more in each year group.	Employ Wigan Athletic and Lancashire Cricket PE specialists to work alongside staff to deliver Physical Education throughout all phases of school (Primary Stars Programme).	Wigan Athletic - £6000 Lancashire County Cricket - £400	Outstanding P.E. has been delivered to all phases of school. Collaboration and CPD opportunities have been available for all staff. Staff have built on their skills by observing and team teaching with specialised sports coaches. An enhanced extra-curricular sporting programme has been implemented, providing a range of different sports available to all phases of school. Pupils in school are active for at least 3 hours a week. High standards in P.E show that >90% of children are ARE and GD.

			80% of children across the school have taken part in an extra-curricular club.
	Employ Wigan Athletic and Premier Sports PE specialists to deliver lunchtime and after school extra-curricular clubs.	Wigan Athletic cost as above. Premier Sports £2800	A greater volume of lunchtime/after school clubs has allowed children in all year groups leading to participate in more extra-curricular activities. This has also developed early development of fundamental movement skills for younger children. Pupils across all phases are able to access sports such as fencing, bowling, curling, golf and activities such as skipping and hula-hooping. There has been an increase in participation in different sporting activities. 78% of children have competed at an inter-school competition and 75% of children have taken part in an extra-curricular club. (See table below) This is sustainable as the welfare staff have all completed the playtime training.
	Play leader training.	£120	Junior leaders have been trained in year 5 and 6. Play leaders have assisted external coaches in running clubs at lunch times, including a Change4Life club, which targets children who are inactive.
	Swimming lessons for children in Year 3. Provide extra swimming sessions for pupils in Year 6 who did not reach the NCA in Year 3.	£400(instructors, pool hire and transport for x18 sessions)	100% of Year 6 pupils have met the NCA standard. They can swim 25m unaided.
	Train lunchtime welfare staff to be better play leaders	£120 £300 (Resources and equipment)	Lunchtime welfare staff are purposeful in their role and ensure that pupils are engaged in play, therefore increasing the number of active pupils at lunchtimes. Incidents at break time have reduced due to an improvement in behaviour of pupils.

	Continue Daily Mile and implement Super Movers into curriculum time.	£0	Each class takes part in the Daily Mile every day and uses Super Movers activities within the classroom. This has increased the time that children are active within the school day.
2) Increase the number of non-elite participation and success in level 2 inter competitive school sports.	Transport for sporting activities.	£2000	78% of children have represented the school at sporting events throughout the year.
	Enter school into a number of sport competitions over the course of the year, including inclusive competitions.	Transport cost as above	A high number of pupils have taken part in inter-school competitions. The school has had success at a number of competitions, placing high in Football, Curling, Sucker Archery, and KS1 Football.
	Real PE curriculum for Key Stage One and Lower Key Two.	£1350	Real PE continues to be delivered to KS1 and lower KS2. Teachers are confident in their abilities to deliver high quality P.E and have commented on the wide array of activities provided. Y1 training 2019/20 – Mia.
3) Growth in the range of traditional and alternative sporting activities	Use specialist coaches to help with the delivery of non-traditional sport unfamiliar to PE lead, REAL PE, Apple Dance, One Day Creative, Wigan Athletic and Premier Sports e.g curling and jumprope.	£1200 (Wigan and Premier Sport as above) Apple Dance £180.	Pupils have engaged with new and different sports as a result of external expertise/ resource provision. Y2 - Dance Y3/4-Curling / tri-golf.

	Sports kit for Rugby and Football.	£350	Pupils have represented the school at different events through-out the year.
	Rugby posts.	£400	<p>Fixtures now can be played at home. Children in school have seen the new equipment and as a result, children taking part in Rugby club has increased.</p> <p>This will also increase our ability to host competitions and aid our effort in establishing links between our school and local clubs.</p>
	PE Lead and relevant staff to complete coaching badges in a range of traditional sports such as Cricket, Netball, Football and Rugby.	£300	PE lead is an expert in traditional sports. School has entered more inter school competitions and has achieved success in many, including curling, archery and football. PE lead has supported non-specialist staff.

4) Partnership work on physical education with other schools, clubs and local partners.	Establish further links with local clubs through creating a directory, curriculum participation, club representation at level 2 competitions and after school clubs	£400	Existing partnerships have been strengthened. Pupils have been taking up sport and have been signposted to appropriate clubs. Investment on the school field, rugby/football pitch, rounders diamond and athletics track.
	To facilitate a conference inviting local clubs and agencies in order to establish a network of links	£0	New club links have been made. (See above)
	Headteacher to provide PE training for Newly Qualified Teachers in LLG	£500 (Funded by LLG)	Standards for teaching in PE across LLG have been improved and are now more consistent. This has been shown through evaluation and feedback forms.

5) Links with other subjects that contribute to pupils' overall achievement and greater spiritual, moral, social and cultural skills.	Bikeability – Training for all Year 5 Pupils	£400	All Year 5 pupils have passed the Bicycle Proficiency Award. Children are more aware of road dangers and have increased confidence when biking on roads.
	Monitor the impact of participation in sport on academic outcomes for children at the end of KS2.	All costs mentioned.	Year 6 pupils achieved fantastic SAT results this year. 94% ARE or above for maths. 87% ARE or above for reading. 83% ARE or above for SPAG. 93% ARE for writing. Standards are high across all cohorts.
6) Greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.	Anomaly Board	£650(Annual payment for 3 years/PTA fund other £650)	The anomaly board has increased parents awareness of health and safeguarding issues. Pupils have occasionally used the board to take part in physical activities and games at playtimes and lunchtimes. This could be developed further next year with a big push through Junior leaders.
