School Discos

Friday **Normal School Day**

School Disco

The School Discos will take place on Thursday 15th February in the school hall, all pupils are welcome to attend.

The Infant Disco will start at 6.00pm and finish at 7.00pm.

The Junior Disco will start at 7.15pm and finish at 8.15pm.

Entry to both events will be via the main school doors on the staff car park.

The children will leave the infant and junior disco via the hall doors on the infant playground where they must be collected by an adult.

Entry to the Disco is £1.50 per child payable on the door — please bring the correct change if possible.

Children can bring pocket money to spend at the tuck shop on treats, face paints and temporary tattoos.

Please could we request that for health and safety reasons parents do not use the staff car park when dropping off or picking up from the discos.

Childhood Illness

If your child has sickness or diarrhoea please keep them off school for 48 hours following the last episode.

Please could we remind parents to be vigilant in checking for and treating headlice and threadworms. Advice and medication can be sought from your GP, School Nurse or Pharmacist. It is also important that parents reinforce the Government hand hygiene advice to prevent the spread of winter germs and threadworms.

As you will be aware there have been a number of diagnosed cases of Scarlet Fever in school recently. If your child has an undiagnosed rash please could they remain off school until it is diagnosed and treated.

Nationally diagnosed cases of measles are on the increase. If your child has not been doubly vaccinated against measles please consider contacting your GP or School Nurse to find out about the benefits of being fully vaccinated against this serious illness.

Thank you.

School Trips

As in previous years we are busy planning exciting and educational school trips whilst trying to keep within an acceptable budget.

Over the coming weeks letters will be sent home with your child about their class trip, which will also include information about a contribution towards the cost of the trip. This year we will be providing parents with two options of contributing towards the cost of their child's school trip: a one off contribution or weekly/monthly payments towards the total cost. Both options will be available on School Hub.

Your generous and valuable contributions are essential in enabling us to arrange the class trips and we are very grateful for your support over previous years. Unfortunately, school no longer has the funds to subsidise trips, which means that if we do not receive enough contributions towards the cost of your child's class trip we may have no option but to cancel it. We are requesting that all contributions are paid a month in advance of the trips taking place so that we can pay both the venue and coach company, this is why we are providing advanced notice of the trips.

Please contact the School Office in the strictest confidence, if you are experiencing difficulty in contributing towards the trips to discuss payment options.

Thank you for your continued understanding and support.
