We're using Arbor's free Parent Portal and Parent App

We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Parent App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Parent App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App
5. Enter your email, select the school, then enter your password

Need help using Arbor?

Contact the school office if you have questions about Arbor, the App or Parent Portal. Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.

The Uniformity Project

The Uniformity Project is a community initiative dedicated to providing free recycled school uniforms to families across the borough.

What We Offer:

Free Recycled Uniforms: Available for all families in the borough.

Low-Cost New Items: Thanks to partnerships with Asda and Tesco Leigh, we offer packs of 3 shirts and polo shirts for £2, and new skirts and trousers for £1. This helps families who do not want to recycle save money on essential items.

Summer Stock: With warmer weather approaching, we now have summer dresses and shorts in stock.

Essential Hygiene Products: Families in need can access these free of charge.

Food Parcels: We serve as a gateway to food parcels for families struggling to make ends meet.

The project also provides a warm space where families can come and enjoy a hot drink and snack whilst engaging in funded craft sessions. These tend to be related to the season and is a positive way to come together, its a great way to reduce textile waste as we use uniforms that cannot be recycled as uniform to make new things.

Our project is still in its first year as a physical shop, in this time we have donated thousands of items. We are still building awareness across the wider community that we are here. We will be soon be working across the Wigan Council family hubs to make uniform more accessible for more families.

To find out more, you can watch a short video about the project here.
