Bikes and Scooters

Could we please ask that parents remind their children about road safety if they are riding bikes and scooters to school.

Children should also be vigilant and courteous when passing pedestrians and also when crossing driveways as residents may be leaving their properties in cars.

In the interest of health and safety please also ensure that your child wears a cycle helmet when riding their bikes and scooters.

Please follow this link to a letter sent out earlier this week regarding why electric scooters are not allowed onto the school premises

School Trips

**Year 5 Tatton Park
Monday 9th June**

Reception Martin Mere Friday 13th June

Year 3 Chester Thursday 3rd July

Year 3 Music Gala at Robin Park Tuesday 8th July

Year 4 World Museum Liverpool Tuesday 15th July

Your generous and valuable contributions are essential in enabling us to arrange the class trips and we are very grateful for your support.

Unfortunately, school no longer has the funds to subsidise trips, which means that if we do not receive enough contributions towards the cost of your child's class trip we may have no option but to cancel it. We are requesting that all contributions are paid a month in advance of the trips taking place so that we can pay both the venue and coach company, this is why we have provided advance notice of the trips.

This year we have given parents and carers the option of contributing towards the cost of their child's school trip in one full contribution or weekly/monthly installments towards the total cost. Both options are available on School Hub. Please can we ask that, if you have not already done so, you make your contribution within a month of the trip taking place.

Please contact the School Office in the strictest confidence if you are experiencing difficulty in contributing towards the trips to discuss payment options. Thank you.

Thank you for your continued understanding and support.

News From The Friend's of St Luke's

The Friend's of St Luke's have made it to the final round of 'Patch Community Funding' and are in with a chance of winning £500!

The Friend's of St Luke's (PTA), are encouraging children to grow their own fruit and vegetables in planters at school.

Funding will help cover setup costs like seeds, soil, and tools.

Through gardening, the children will develop mindfulness, healthy habits and business skills.

The plan is that the children will sell the produce to parents, grandparents and the local community at home time.

Money raised from sales will go towards new outdoor play equipment for school. This will benefit all children and promote active, healthy lifestyles across the school'
