The music evening is a fantastic event where we celebrate the achievements of our musicians, choir and orchestra.

Sports Day

Please could all the children come to school dressed in their '*School P.E Kit*' for sports day on Friday.

The infant sports will begin after morning registration and parents, grandparents and carers are welcome to wait on the school field after dropping off their children.

The junior sports will begin after afternoon registration and parents, grandparents and carers are welcome to arrive at school from 1.00pm.

Access to the school field will be via the double gates on the school car park.

Could we please remind parents, grandparents and carers that we only have limited car parking spaces that are for use of the school staff. If you are arriving at school in a car to watch sports day please park off site.

If you have a blue mobility badge please contact the school office on 01942 201140 to discuss drop off/parking arrangements.

Please remember to apply a high factor sun screen at home before school and to send your child with their water bottle.

Should Sports Day need to be cancelled for any reason school will contact all parents via the Arbor messaging system.

We are hoping that the weather is kind to us and that Sports Day will go ahead as planned on Friday 20th June.

School Trips

Year 3 Chester Thursday 3rd July

Year 3 Music Gala at Robin Park Tuesday 8th July

Year 4 World Museum Liverpool Tuesday 15th July

Your generous and valuable contributions are essential in enabling us to arrange the class trips and we are very grateful for your support.

Unfortunately, school no longer has the funds to subsidise trips, which means that if we do not receive enough contributions towards the cost of your child's class trip we may have no option but to cancel it. We are requesting that all contributions are paid a month in advance of the trips taking place so that we can pay both the venue and coach company, this is why we have provided advance notice of the trips.

This year we have given parents and carers the option of contributing towards the cost of their child's school trip in one full contribution or weekly/monthly installments towards the total cost. Both options are available on School Hub. Please can we ask that, if you have not already done so, you make your contribution within a month of the trip taking place.

As the cost of school trips is calculated on the number of children in a class unfortunately we are unable to refund any money paid for trips if children are unable to attend for any reason.

Please contact the School Office in the strictest confidence if you are experiencing difficulty in contributing towards the trips to discuss payment options. Thank you.

Thank you for your continued understanding and support.

What is the Nurturing Programme?

Children are rewarding, stimulating and fun, but looking after them can be stressful and challenging.

The Nurturing Programme helps deal with those challenges so that you can have a calmer, happier life.

A tried and tested programme, it helps us think about what we do, why we do it and how it makes us feel.

The Four Constructs of the Nurturing Programme

© The Centre for Emotional Health 2024

What does it cover?

Over the 10-week Programme, you will look at lots of different topics, including:

Understanding

why children behave as they do

Recognising the feelings behind behaviour (ours and theirs)

Exploring

different approaches to discipline

Finding

ways to develop co-operation and self-discipline in children

Learning the importance of looking after ourselves

How Nurturing Programme Parent Groups have helped other parents

"I am a much more confident, positive and understanding parent. I feel much more able to cope now."

"We are having less family arguments and the household is a lot calmer."

"The group was fun. It's the only two hours I have for myself each week."

"The atmosphere was really relaxed. No-one judged anyone and everyone was listened to and respected."
