School Trips

Year 3 Music Gala at Robin Park Tuesday 8th July

Year 4 World Museum Liverpool Tuesday 15th July

Your generous and valuable contributions are essential in enabling us to arrange the class trips and we are very grateful for your support.

Unfortunately, school no longer has the funds to subsidise trips, which means that if we do not receive enough contributions towards the cost of your child's class trip we may have no option but to cancel it. We are requesting that all contributions are paid a month in advance of the trips taking place so that we can pay both the venue and coach company, this is why we have provided advance notice of the trips.

This year we have given parents and carers the option of contributing towards the cost of their child's school trip in one full contribution or weekly/monthly installments towards the total cost. Both options are available on School Hub. Please can we ask that, if you have not already done so, you make your contribution within a month of the trip taking place.

As the cost of school trips is calculated on the number of children in a class unfortunately we are unable to refund any money paid for trips if children are unable to attend for any reason.

Please contact the School Office in the strictest confidence if you are experiencing difficulty in contributing towards the trips to discuss payment options. Thank you.

Thank you for your continued understanding and support.

Friends of St Luke's Cash for Clothes Collection

If you have any unwanted clothes, shoes or accessories that are in good condition please could these be dropped off with Tania from FoSL or at the school office.

The clothes will be weighed and any money raised will be used to benefit all the children in school.

What is the Nurturing Programme?

Children are rewarding, stimulating and fun, but looking after them can be stressful and challenging.

The Nurturing Programme helps deal with those challenges so that you can have a calmer, happier life.

A tried and tested programme, it helps us think about what we do, why we do it and how it makes us feel.

The Four Constructs of the Nurturing Programme

© The Centre for Emotional Health 2024

What does it cover?

Over the 10-week Programme, you will look at lots of different topics, including:

Understanding

why children behave as they do

Recognising the feelings behind behaviour (ours and theirs)

Exploring

different approaches to discipline

Finding

ways to develop co-operation and self-discipline in children

Learning the importance of looking after ourselves

How Nurturing Programme Parent Groups have helped other parents

"I am a much more confident, positive and understanding parent. I feel much more able to cope now."

"We are having less family arguments and the household is a lot calmer."

"The group was fun. It's the only two hours I have for myself each week."

"The atmosphere was really relaxed. No-one judged anyone and everyone was listened to and respected."
