Sports Report

Well done to our school football team who played an amazing game of football yesterday afternoon against Hindley St Peter's.

The match took place on our school field and was supported by both teams friends and family.
It was an excellent game and the final score was 2-2.

Annual Flu Vaccination

Intra Health will visit school on Wednesday 1st October 2025 to administer the NHS National Flu Immunisation Schedule.

In the Interest of Safeguarding — Childhood Illnesses

Could we please remind parents and carers that if children are off school following sickness or diarrhoea they must remain off school for 48 hours following the last incident.

If your child is suffering from a high temperature or headache please seek medical advice before sending them into school — please do not mask the symptoms by administering paracetamol.

Please could we remind parents to be vigilant in checking for and treating headlice and threadworms.

Advice and medication can be sought from your GP, School Nurse or Pharmacist.

Information on childhood illness and infection can be found by following this link: https://www.publichealth.hscni.net/sites/default/files/Guidance_on_infection_control_in%20schools_poster.pdf

Class DOJO

Could we please remind parents and carers that if they have an important message regarding their child that they should always contact the school office rather than using class DOJO.

If a teacher is off site, in a meeting or busy teaching their class they may not see the DOJO message until much later. It could take up to two school days for a DOJO to be responded to.

We would also like to ask that DOJO messages are not sent to class teachers during the evening, we appreciate that this is usually when parents are at home, but it can also be quite disruptive to our teachers family time.

Please note that you must notify the school office of all absences, appointments and holiday requests, these must not be sent via class DOJO.

Bikes, Scooters, Outdoor Play Equipment and Pet Dogs

Could we please remind parents and children that bikes and scooters must not be ridden on the playground when dropping off and picking up and e-scooters are not allowed anywhere on the school site.

In the interest of the health and safety of all of our children and families children are only allowed to use the outdoor play equipment during the school day, when they are supervised by school staff. Please do not allow your children to play on the equipment before or after school.

Please could we also remind parents not to bring pet dogs onto the school grounds or cycle path and to be mindful of adults and children who may be afraid of dogs when dropping off or waiting for their children at the school gate .

Thank you.
